VILLA DESCRIPTION

Casa Mono Loco is within the Los Sueños Resort & Marina, yet it offers secluded splendor. With dramatic, spectacular vistas of Bahía Herradura, the resort and the surrounding rain forest and nature preserve, Casa Mono Loco also affords maximum privacy. The open and clever design of Casa Mono Loco allows one to experience the monkeys, toucans, scarlet macaws, other sights and the sounds of the surrounding lush, tropical rain forest from the comfort of your private Shangri La. Sonos music system, satellite TV and VOIP with free telephone calls to the U.S. and Canada.

Three air-conditioned bedrooms with private en suite bathrooms. The master with king-sized bed is a detached pavilion, providing maximum privacy. The Dome Room bedroom has two full beds and a domed ceiling. The Coral Room bedroom also has two full beds. Every room has a spectacular ocean view. The living area is an open air rancho beyond which is the pool with an infinity edge that melds into the blues of Herradura Bay.

Casa Mono Loco is the only house on the very quiet road! If you seek tranquility and to be at one with nature but desire comforts that are more than civilized, this is the home for you. Yet you'll have access to all the amenities of the Los Sueños Resort, including the spa, marina, shops, restaurants, golf course, room service from the Marriott Hotel, casino and more just two minutes away by car.
